

A gift of letters

For _____

Beginning _____, a letter from the year 1953 will arrive in your mailbox twice a month, on the 1st and the 15th.

They come from Danny Hale, a young missionary pilot in the jungles of Ecuador, and from his mother, May, at home in Kansas. Real paper, real stamps, a keepsake now and then, and a puzzle to go with your coffee.

I thought of you.

With love, _____
